The questions

Task 01: Match the following words with their definitions:

Words	Definitions
Bi-cameral legislature	A minor change to a law or contract
Judiciary	An agreement between nations or sides, for example the European Convention on Human Rights; also, a formal meeting of members or representatives of groups such as political parties, professional associations or industry groups.
Convention	A law-making body, known in Algeria as Parliament. It is divided into a lower and an upper house. The Nation Council is the lower house and the National People's Assembly is the upper house.
Amendement	The judiciary is the collective term for the judges of a country's courts. The role of the judiciary is to interpret laws and uphold justice by applying the law through the courts

Task02: Reformulate the following paragraph relying on your own vocabulary:

Decentralization is defined as the “transfer of authority and responsibility for public functions from the central government to subordinate or quasi-independent government organizations or the private sector.” As might be anticipated, the rationale for such a process varies both in time and space. Decentralization is regarded as an essential component of democratization.
