Model Answer& Grading Scale

Task 01: Matching words with their definitions:10 Points

Words	Definitions
Bi-cameral legislature	A law-making body, known in Algeria as Parliament. It is divided into a lower and an upper house. The Nation Council is the lower house and the National People's Assembly is the upper house.
Judiciary	The judiciary is the collective term for the judges of a country's courts. The role of the judiciary is to interpret laws and uphold justice by applying the law through the courts
Convention	An agreement between nations or sides, for example the European Convention on Human Rights; also, a formal meeting of members or representatives of groups such as political parties, professional associations or industry groups.
Amendment	A minor change to a law or contract

Task02: Reformulation 10 points

Reformulation stands for replacing author's words and expressions by **student own words** maintaining the original meaning. For that reasons, those who relied on websites tools their answers **were rejected.**

Best of luck
