وصف المادة التعليمية

Main Learning Goals

-Enriching the political vocabulary.

-Acquiring the basic terminology of the major (Political & Administrative organizations).

-Developing the four skills (Reading, Writing, listening, speaking).

- Respecting ethics of scientific research (avoiding plagiarism through the suitable techniques such as: quoting, paraphrasing, and summarizing)

Content

The module contains a variety of political topics, which are closely related to the Algerian political system and the local political affairs, in addition to the political jargon for the specialization of political and administrative organizations.
